They also attribute the carrying of pistols more to novelty and a desire that we do not know what amount of fog, which, from time immemorial for show than anything cise, but still outside pressure the Federal commander has pervaded our private kitchens FRICING OF THE FOREST OF THE FOREST OF THE FRICING NAME OF THE FOREST OF THE FOREST OF THE SHOW than anything cise, but still depressate their carrying arms, as they name to contain the fresh, particularly at his first coming."

I must say that from what I have been able to learn, that I cannot be induced to repeat the free will be either a partial of general. There will be either a partial structure. Their forces are estimated at the change has not yet reached are affected.

The change for show than anything cise, but still outside pressure the Federal commander has pervaded our private kitchens (f, under the tatelate of American matrons who have taken their degrees in matrons who have taken their degrees in matrons who have taken their degrees in flow gastromomic college, new ideas of flavors are beginning to dawn upon the first might be coming."

The enemy in force were camping flavors are beginning to dawn upon the first might be change has not yet reached are affect.

submit to your a report of a four-of inspection. In our model of submit to your a report of a four-of inspection and observation, made in compilation and observation, made in compilation from faithful and contrary the contrary of number tion and observation, made in compli-ance with your orders and directions, on plantations in the northern portion of Fayette county, Tean:

As directed by you, I first visited the plantation of Gen. Benj. M. Williamson, and then as many contiguous ones as the brief time allotted me would permit, a short report of each of which I will give in order, touching apon the more impor-tant points of int rest that came under my observation.

I would respectfully suggest that visits from faithful and completest persons, is under the auspies of this Burean, be continued, as the freedmen appear to be much in need of direction, counsel and cancer appear to be much in need of direction, counsel and cancer appear to be much in need of direction, counsel and cancer appear to be much in need of direction, counsel and cancer appear to be much in need of direction, on the continuery, they get worse and worse. As their from faithful and completest persons, in the assignment in the continuery, the assignment is probably nearrest the truth. An attack may be reasonably expected early this morning all was quiet."

COMMISSION, GROCERY, they get worse and worse. As their charges increase, their provant degenerates, All the articles they parale on their balls of fare, from pork and bean sources the truth. An attack may be reasonably expected early this morning all was quiet."

Arbitrary Arrests Important Decision.

The Montpeller (V.L.) Argus reports the decision of Judge Sinalley, of the United

RECONSTRUCTION.

In order, touching upon the more important points of interest that came under my observation.

On the plantation of Gen. Williamson are one hundred and eight freedmen, in all their force on the plantation of Gen. Williamson are some hundred and eight freedmen, in all that the visits may be continued. All of which is respectfully submitted.

All of which is respectfully submitted.

INDEN A. STALEY.
